#MyReasonWhy. We know that sports and activities help students do more than build skill and character development. Participation in sports and activities gives students a sense of self and community"and research shows that 92 percent of parents are in agreement that they lead to healthier lifestyles later in life.

American football, referred to as football in the United States and Canada and also known as gridiron, is a team sport played by two teams of eleven players on a rectangular field with goalposts at each end. The offense, which is the team controlling the oval-shaped football, attempts to advance down the field by running with or passing the ball, while the defense, which is the team without ...
