

### **a guided approach to pdf**

Guided reading is 'small-group reading instruction designed to provide differentiated teaching that supports students in developing reading proficiency'. The small group model allows students to be taught in a way that is intended to be more focused on their specific needs, accelerating their progress.

What is the Core Knowledge Sequence? Educational excellence and equity require a coherent, cumulative, knowledge-based curriculum. This basic principle inspired the Core Knowledge Foundation to undertake the long process of research and consensus-building that led to the development of the Core Knowledge Sequence, the blueprint for knowledge-based schooling.
