World Bank Group Historical Chronology Produced by the World Bank Group Archives 2 of 424 the interwar years and the fear of a post-war economic depression had been the genesis of the conference and the Fund proposal. The Bank, on the other hand, was conceived of primarily as an instrument through which the

### **World Bank Group Historical Chronology**

The history of banking began with the first prototype banks which were the merchants of the world, who made grain loans to farmers and traders who carried goods between cities. This was around 2000 BC in Assyria, India and Sumeria. Later, in ancient Greece and during the Roman Empire, lenders based in temples made loans, while accepting deposits and performing the change of money.
