Poverty is the scarcity or the lack of a certain (variant) amount of material possessions or money. Poverty is a
multifaceted concept, which may include social, economic, and political elements. Absolute poverty, extreme
poverty, or destitution refers to the complete lack of the means necessary to meet basic personal needs such
as food, clothing and shelter.

Information technology risk, or IT risk, IT-related risk, is a risk related to information technology. This relatively
new term was developed as a result of an increasing awareness that information security is simply one facet
of a multitude of risks that are relevant to IT and the real world processes it supports.
