

academic language in diverse pdf

The prior installment of this department (in October, 2007) introduced the idea of toolkit elements for content teachers. We asserted that one of those essential elements is the skill of enriching students' academic language.

Developing Academic Language: Got Words? | Reading Rockets

An academy (Attic Greek: ἀκαδημία; Koine Greek ἀκαδημία) is an institution of secondary education, higher learning, research, or honorary membership. The term academia refers to the worldwide human group composed of professors and researchers at institutes of higher learning.. The name traces back to Plato's school of philosophy, founded approximately 385 BC at Akademia, a ...

Second-language acquisition (SLA), second-language learning, or L2 (language 2) acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other ...

One of the many things I love about working for Oakland, California schools is serving a community rich in diversity of culture and language. At the same time, it is no easy task ensuring that our English Language Learners (ELLs) are meeting grade-level content standards while mastering a second language.

Why are Academic Discussions So Important for our ELLs?

The page you are trying to access has moved. The Connecticut State Department of Education has a new website. If you have existing bookmarks you will need to navigate to them and re-bookmark those pages.

What does research show about the benefits of language learning? In this age of accountability in education, policymakers and administrators, as well as parents, are increasingly demanding to know what research studies show regarding the benefits of language learning.

What the Research Shows | American Council on the Teaching

In other words, in the past few decades, prominent higher educational leaders, lawyers, and researchers have worked together to support race-conscious admissions policies, allowing college campuses to remain more racially and culturally diverse than most of the public schools their students attended prior to attending college.

How Racially Diverse Schools and Classrooms Can Benefit

§74.5. Academic Achievement Record (Transcript). (a) The commissioner of education shall develop and distribute to each school district and institution of higher education the state guidelines for a common academic achievement record and coding system for courses and instructions for recording information on the academic achievement record.
