In 2018, for the 20th anniversary of the Great Divide Mountain Bike Route, we completely redesigned the maps. They now feature shaded relief, consolidated narratives that may be cut off and carried separate from the maps, a UTM and lat/long grid, point to point mileages and the often requested south to north narratives.

A digital divide is an economic and social inequality to the access to, use of, or impact of information and communication technologies (ICT). The divide within countries (such as the digital divide in the United States) may refer to inequalities between individuals, households, businesses, or geographic areas, usually at different socioeconomic levels or other demographic categories.
