A First Course in Linear Algebra is an introductory textbook designed for university sophomores and juniors. Typically such a student will have taken calculus, but this is not a prerequisite. The book begins with systems of linear equations, then covers matrix algebra, before taking up finite-dimensional vector spaces in full generality.

Elvis Costello version Background. The song "Alison" was included on Elvis Costello's debut studio album My Aim Is True as the fifth track, and was released in 1977. As "Alison" was recorded before Elvis Costello and the Attractions formed, his backing band on the track was Clover. Costello has divulged little on the meaning of the song other than to say that it is about "disappointing somebody ...
