African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

The American Tobacco Company. The anti-smoking conspiracy began over a century ago. Skull & Bones members ring-led the creation of the American Tobacco Trust, to gather all the companies under anti-smoker control. But they knew that they couldn't just take over the tobacco companies and shut them down, because others would simply enter the field.
