An Introduction to Ecotourism planning - VIDEO

In student nature journals, the outdoors is the stimulus for responsive writing and artwork. But the subject matter, of course, also matters. In form and purpose, student nature journals are not very different from field journals kept by naturalists in the "œœreal world," including the Smithsonian.

An Introduction to Post-Colonialism, Post-colonial Theory and

A work of art is an abstract or epitome of the world. It is the result or expression of nature, in miniature. For, although the works of nature are innumerable and all different, the result or the expression of them all is similar and single. Nature is a sea of forms radically alike and even unique.

EMERSON - ESSAYS - NATURE TEXT

Unresolved questions of nature are answered better with a natural and not with a supernatural explanation. Open - not closed in its self [edit] The scientific view is open.
