

envy a theory of pdf

Envy is a drive which lies at the core of man's life as a social being, and which occurs as soon as two individuals become capable of mutual comparison. This urge to compare oneself invidiously with others can be found in some animals but in man it has acquired a special significance.

A Theory of Social Behaviour - Richard Landes

This book introduces envy theory, a conceptual exploration of hypotheses and conjectures about the mind's fundamental cognitive and emotional makeup. It addresses basic propositions about human psychology, consciousness, and the meaning of personhood.
