executed serial killers john pdf

A serial killer is typically a person who murders three or more people, in two or more separate events over a period of time, for primarily psychological reasons. There are gaps of time between the killings, which may range from a few days to months, or many years. This list shows serial killers from the 20th century to present day by number of victims.

List of serial killers by number of victims - Wikipedia

This is a list of notable serial killers, by the country where most of the murders were committed.
