

fallen sentinel australian tanks pdf

The Eland is an air portable light armoured car based on the Panhard AML. Designed and built by South Africa for long-range reconnaissance, it mounts either a 60mm (2.4 in) breech-loading mortar or a Denel 90mm (3.5 in) gun on a very compact chassis. Although lightly armoured, the vehicle's permanent 4X4 drive makes it faster over flat terrain than many tanks.

Eland Mk7 - Wikipedia

SeaWorld was founded in 1964 by Milton C. Shedd, Ken Norris, David Demott, and George Millay. The four graduates of UCLA originally set out to build an underwater restaurant and marine life show. When the underwater restaurant concept was deemed unfeasible, they scrapped those plans and decided to build a park instead, and SeaWorld San Diego was opened on March 21, 1964.
