Finding Your Leadership Style Ten different ways to lead God's people. by Bill Hybels A few years ago, I began to notice major differences in the ways gifted leaders led their teams. They all had the spiritual gift of leadership referred to in Romans 12:8, but they approached the challenges of leadership differently.

According to author Jeffrey Glanz, each of us has natural leadership abilities. Although no single leadership style is better than another, matching a person's style with an assignment leads to success for the person, his colleagues, and the organization. The key is to identify and actualize each person's natural leadership style.
