fortress malta an island pdf

The Great Siege of Malta (Maltese: L-Assedju l-Kbir) took place in 1565 when the Ottoman Empire tried to invade the island of Malta, then held by the Knights Hospitaller. The Knights, with approximately 2,000 footsoldiers and 400 Maltese men, women and children, withstood the siege and repelled the invaders. This victory became one of the most celebrated events in sixteenth-century Europe.

Great Siege of Malta - Wikipedia

Malta has been inhabited from around 5900 BC, since the arrival of settlers from the island of Sicily. A significant prehistoric Neolithic culture marked by Megalithic structures, which date back to c. 3600 BC, existed on the islands, as evidenced by the temples of Mnajdra, Ggantija and others. The Phoenicians colonised Malta between 800â€“700 BC, bringing their Semitic language and culture.
