GUTTER

A rain gutter or surface water collection channel is a component of water discharge system for a building.. Water from a pitched roof flows down into a valley gutter ...

Rain gutter - Wikipedia

Gutter may refer to: . Rain gutter, a narrow trough or duct which collects rainwater from the roof of a building and diverts it away from the structure, typically into a drain; Street gutter, a depression which runs alongside a city street, usually at the curb and diverts rain and street-cleaning water away from the street and into a storm drain
