

### **from the hebrides to pdf**

The names of other individual islands reflect their complex linguistic history. The majority are Norse or Gaelic but the roots of several other Hebrides may have a pre-Celtic origin. Adomnán, the 7th century abbot of Iona, records Colonsay as Colosus and Tiree as Ethica, both of which may be pre-Celtic names. The etymology of Skye is complex and may also include a pre-Celtic root.

From collection to display . In November 1997 after spending two years on collecting New Hebrides, I threw together in haste my partially complete early collection of stamps, together with a couple of covers, to make a 30-odd page display on Hagner sheets with historical text as a filler for the French Challenge preview held by the Philatelic Society of Canberra.
