## **gendered tradeoffs women family pdf**

There is a gender gap in political knowledge and opinions in sub-Saharan Africa. Rural women are more likely to be influenced by bystanders than male or urban peers.

## **Is women's empowerment associated with political knowledge**

Abstract. Policy interventions that affect or are mediated through the family typically assume a behavioural response. Policy analyses proceeding from different disciplinary bases may come to quite different conclusions about the effects of policies on families, depending how individuals within families behave.
