Questions #5-8 on Systems 2.6.pdf is a good place to start. The questions also ask them to check their work by graphing, which I think is a great way to solidify the idea of a simultaneous solution. The questions also ask them to check their work by graphing, which I think is a great way to solidify the idea of a simultaneous solution.

Get to the Point!.pdf - BetterLesson

Preparation: Listening selection with audioscript; one set of key point/detail strips for each group, cut apart. Time: 20-30 minutes Procedure: 1. Choose a listening selection with audioscript from the integrated tasks sections of a TOEFL iBT test preparation book. 2. Briefly paraphrase the main points and some supporting details or examples.

get to the point - pearsonlongman.com

The Easy Part: Get to the Point. Your first task is to get to the point. Before you generate an outline or your first draft, be sure you know your purpose precisely. Make sure you can state it in a single simple sentence. A common pitfall is to choose topics which are too broad; remember that your time is limited. This can be challenging, but if you adopt the practice of determining your purpose before writing anything else, you will find this to be the easy part.
