globalization and religion | Download eBook PDF/EPUB

Globalization is looked at from two ends of a spectrumâ€”as an end product versus as a process in itself. This distinction between theorizing globalization as an end or as a means to an end has been made by scholars such as Robertson and White (2007). However, its implications for religious nationalism have not been explored exhaustively.

Religious Nationalism in a Global Age: The Case of Hindu

In the first case, religious nationalism, religion and nationalism are inseparable. In other national movements, religion plays a less dominant role, merely assisting the more prominent nationalist movement as a cohesive element.

Religion and Nationalism: Understanding the Consequences

Exploring the consequences of globalization in India and the matter of identity formation, this e-book contributes to the theoretical and empirical debate on identification, globalization, spiritual nationalism and (in)security.
