Design methods is a broad area that focuses on: Exploring possibilities and constraints by focusing critical thinking skills to research and define problem spaces for existing products or servicesâ€™ or the creation of new categories (see also Brainstorming); Redefining the specifications of design solutions which can lead to better guidelines for traditional design activities (graphic ...

Design - Wikipedia

A cutscene or event scene (sometimes in-game cinematic or in-game movie) is a sequence in a video game that is not interactive, breaking up the gameplay. Such scenes could be used to show conversations between characters, set the mood, reward the player, introduce new gameplay elements, show the effects of a player's actions, create emotional connections, improve pacing or foreshadow future events.
