### **# Diabetes Insipidus Urine Specific Gravity ~...~...~... About**

'Gravity' is an action and science packed thriller with all the things you could want in a book- an awesome female main character who is both an astronaut and a doctor, intense scenes in space and in the NASA headquarters, and a creepy experiment gone wrong that is killing the crew members on the ISS one by one in a dark and disturbing way. This book was right up my alley.
