March 11, 2010. Susan Reed: I have unique insights into exactly how a reptilian body-snatches a human. He is a combination of a reptilian spirit in control of a human spirit having taken over a human body. His abduction is described, his remarkable abilities and characteristics, such as advanced mental abilities, his cruelty and fundamental malevolence.

Etymology. The word "elephant" is based on the Latin elephas (genitive elephantis) ("elephant"), which is the Latinised form of the Greek ἑλέφαντος (elephas) (genitive ἑλεφαντός (elephantos)), probably from a non-Indo-European language, likely Phoenician. It is attested in Mycenaean Greek as e-re-pa (genitive

e-re-pa-to) in Linear B syllabic script.
