FAITH IS VOICE ACTIVATED Voice activation technology has become common in our everyday lives. We can speak to our cell phones or car navigation systems and they respond to our voice. In the spiritual realm, your voice has power when you speak from the perspective of faith! God has set up a voice activation system of faith when our mouth is

Jonathan Goldman's "Healing Sounds" Sound & Heat Thermography Much of my research, work and training involves the use of the human voice for healing and transformation. In particular, I focus upon vowel sounds and the power of their corresponding vocal harmonics to effect these changes. Vocal harmonics have been
