Most writer's block takes the form of a feeling of being unable to write, whether that looks like being unable to come up with ideas, put words on the page, feel inspired to write, or be motivated to write.

16 Tips to Beat Writer's Block - Script Magazine

Despite their self-presentation as iconoclasts, the writers of the Beat Generation were deeply engaged with the classical tradition. Many of them were university-trained and highly conscious of their literary forebears, and they frequently incorporated their knowledge of Greco-Roman literature into their own subversive, experimental practice.
