Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries.. Theology is the study of deities or their scriptures in order to discover what they have revealed about themselves. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to ...

Postliberal theology (often called narrative theology) is a Christian theological movement which became popular in the late twentieth century. The movement's proponents argue that the church's use of the Bible should focus on a narrative presentation of the Christian faith as regulative for the development of a coherent systematic theology. Thus Christianity is to be viewed as an overarching ...

Francis Robert's The Mystery and Marrow of the Bible. Robert's work, "The Mystery and Marrow of the Bible" is one of the best works on Covenant Theology in the history of the Christian Church. It remains unpublished, but available here in old English in its entirety. The work is enormous, and covers all the administrations of the covenant as God unfolded the history of redemption.
