By the early 1990s there began a shift in caste politics. The continuation of a one party system, which was the Congress party, composed mostly of upper-caste leadership, came to an end. This was partly due to economic liberalisation in India which reduced the control the state had on the economy and thus the lower castes, and partly due to an upsurge in caste based parties that made the ...

The caste system in India is the paradigmatic ethnographic example of caste. It has origins in ancient India, and was transformed by various ruling elites in medieval, early-modern, and modern India, especially the Mughal Empire and the British Raj. It is today the basis of educational and job reservations in India. It consists of two different concepts, varna and jati, which may be regarded as ...
