land landlords and the pdf

A landlord is the owner of a house, apartment, condominium, land or real estate which is rented or leased to an individual or business, who is called a tenant (also a lessee or renter). When a juristic person is in this position, the term landlord is used. Other terms include lessor and owner. The term landlady may be used for women owners, and lessor may be used regardless of gender identity.

Land in Bolivia was unequally distributed – 92% of the cultivable land was held by large estates – until the Bolivian national revolution in 1952. Then, the Revolutionary Nationalist Movement government abolished forced peasantry labor and established a program of expropriation and distribution of the rural property of the traditional landlords to the indigenous peasants.
