Lactose intolerance is one of the most common food intolerances, affecting up to 65% of the world's adult population. (1) Many people choose to completely cut out dairy as a way to avoid the gastrointestinal symptoms that frequently come along with eating dairy foods. But is true lactose intolerance really the cause of their digestive distress, or are many people prematurely eliminating ...

Heroic men, heroic women, and animals . See also the section The courage of the bullfighters, which includes material on the courage of the rock climbers and mountaineers, including the remarkable achievements of the free climber Alex Honnold.. This is a very varied section, like some other sections of the page. So much writing in support of bullfighting is suffocating in its exclusion of the ...
