Unaspected planets in your birth chart are like wild, untamed animals within your psyche. They can "run away with your horoscope," becoming a defining trait within your personality whether you approve or not.

Unaspected Planets in Your Birth Chart: Gifts and Challenges

Asteroids and asteroid belts are a staple of science fiction stories. Asteroids play several potential roles in science fiction: as places which human beings might colonize; as resources for extracting minerals; as a hazard encountered by spaceships traveling between two other points; and as a threat to life on Earth due to potential impacts
