In adolescence, retained students are more likely to experience problems such as poor interactions with peers, disliking school, behavior problems, and lower self-esteem. Students who were retained are 11 times more likely to drop out of school.

### **GRADE RETENTION AND PROMOTION: INFORMATION FOR PARENTS**

Grading in education is the process of applying standardized measurements of varying levels of achievement in a course. Grades can be assigned as letters (for example A through F), as a range (for example 1 to 6), as a percentage of a total number of questions answered correctly, or as a number out of a possible total (for example out of 20 or 100).
