Socialist economics refers to the economic theories, practices, and norms of hypothetical and existing socialist economic systems.. A socialist economic system is characterised by social ownership and operation of the means of production that may take the form of autonomous cooperatives or direct public ownership wherein production is carried out directly for use.

2- Definitions of L2. It is crucial here to mention the difference between a Second and a Foreign language, which are both referred to as L2. People who are living in an English-speaking community/country are learning English as their SECOND language. "The learner of the second language is surrounded by stimulation, both visual and auditory, in the target language and thus has many ...

Panama - Government and society: Panama has a popularly elected, representative system of government with executive, legislative, and judicial branches. Universal suffrage was instituted in 1907, and Panamanians 18 years of age and older are eligible to vote. After a coup by the National Guard in 1968, the national legislature was suspended, and Panama was administered by a provisional ...
