21 Defense AT&L: March-April 2007 Turk is an independent management consultant. He is a retired Air Force lieutenant colonel and defense contractor. He has supported information technology projects, policy development and strategic planning projects for DoD, other federal agencies, and non-profit organizations.

MANAGEMENT The Art of Managing Up

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. A project is a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained, and often constrained by funding or staffing ...

A developing country (or a low and middle income country (LMIC), less developed country, less economically developed country (LEDC), or underdeveloped country) is a country with a less developed industrial base and a low Human Development Index (HDI) relative to other countries. However, this definition is not universally agreed upon. There is also no clear agreement on which countries fit ...
