

master your scope management pdf

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Management - Wikipedia

Responding to permanently evolving information technology and growing challenges and global competition in business and management, International Conference on Business and Information (BAI) is dedicated to provide an international and interdisciplinary platform for researchers, educators, graduate students and industry professionals to share their research achievements and to discuss ...
