## **maternity leave the working pdf**

Maternity leave in the United States is regulated by US labor law. There is a right to a temporary and unpaid period of absence from employment granted to expectant or new mothers during the months immediately before and after childbirth. These policies are generally aimed at supporting the mother's full recovery from childbirth and facilitating a stronger mother-child bond.

## **Maternity leave in the United States - Wikipedia**

Parental leave or family leave is an employee benefit available in almost all countries. The term "parental leave" generally includes maternity, paternity, and adoption leave. A distinction between "maternity leave" and "parental leave" is sometimes made- maternity leave as the mother's leave time directly before and after childbirth and parental leave being the time given to care for newborns.
